MATCHING GIFTS – Employer Donation Matching

1 you
donate

Did you know many employers will match your donation of an organization you support?

2 they
match

The Dawson High School Band Boosters, Inc. meets the requirement of most employers to match donations because we are a charitable 501(c)(3) organization. This means that the power of your donation can be doubled!

3 double
the impact

Please contact your human resources department or employee benefits department to learn how to have them match your donation. Your donation will go a long way in assisting our students and benefiting our band program.

How does corporate matching work? It's simple!

1. You submit a membership donation.
2. You determine eligibility of corporate matching with your company and submit your company's necessary forms and/or documentation of your donation. Let us know at DHSBBsponsors@gmail.com if you need a pdf receipt emailed to you.
3. Your company makes a donation to match yours (sometimes more!).
